Tram service changes St Kilda Rd & Toorak Rd

Saturday 1 to Tuesday 11 July

Service changes

Saturday 1 to Tuesday 11 July

Service changes will affect St Kilda Rd trams including Route 58, due to Metro Tunnel work in St Kilda Rd and Toorak Rd.

- Trams will operate between Melbourne University or Moreland and Stop 20 Domain Interchange. Passengers travelling to or beyond Domain Interchange should catch any Route 6a or 67a tram via Swanston St/St Kilda Rd. Route 1 trams are unaffected.
- Buses will replace trams between Stop 19 Shrine of Remembrance and Commercial Rd or High St. See next page for a specific guide of changes per route.

Route 58 - from Wednesday 12 July

After the work, Route 58 trams will travel along St Kilda Rd and Toorak Rd West instead of Domain Rd and Park St. New accessible platform stops will be built in St Kilda Rd at Toorak Rd, and in Toorak Rd near Millswyn St.

Key destinations and best alternatives from City
